THE MOUNTZ MURDER.

McCracken's Examination.

An examination of Richard McCracken vas held in the Court House yesterday han and Kammer at two o'clock, for the murder of Frank alias Francis Mountz, who was killed on Saturday morning last at Ed. Young's livery stable in this city. Squire Kammer was sworn and examin

He testified that on hearing of the

murder he empanelled a jury on the 19th nst, who rendered the following verdict inst., who rendered the following verice:
An inquisition taken in Centre township, county of Ohio, on the 19th day of February, 1870, before Benno Kammer a justice of the township of Centre in said county, upon the view of the body of Frank Mountz, there lying dead, the jurors sworn to enquire when, how and by what means the said Frank Mountz came to his death, mon their oaths do say. The ueath, upon their oaths do say: The deceased came to his do say: The deceased came to his death on February. Isth, about 12 o'clock P. M., by reason of a wound of about one-half of an inch in length, situated near the edge of the breast bone, penetrating the heart, causing almost immediate death, which wound he received by and from one Richard McCracken with a knife or dagger in the hands of the said Richard McCracken. Signed by W. H. Stecke, foreman, W. B. Conner, L. Eberling, Daniel Kreiter, Philip Bolwing, Fred. Shipley, Jacob Steinfelz, Christian Boeshar, Washington Hamilton, N. Hubbard, John Baughman.

Drs. Baird and Cummins. Applean of Steines.

Heitz, and James Anderson were called-

came forward and were sworn. Dr. Cummins testified that he was sur ned about twelve o'clock on Friday night, to see Mountz, whom he found in a ying condition in Young's livery stable; He found the wound upon Mountz in or ear the edge of his breast bone, between the third and fourth ribs. The wound was about half an inch in width on the oreast. It was found, on the post mortem tions one hundred and seventy-six thouexamination, to be between four and five nches in length, having nearly severed the artery carrying the blood from the heart. The wound could not have been

Dr. Baird testified that he was summor ed about twelve o'clock on Friday nightto attend a man who had been stabbed. He found him lying on the floor in andition. From the nature of the wound he believed that it was given by a knife or dirk. The knife entered the breast in a diagonal direction, from left to right, passing through the breast bone, opposite the smart to adjournment present Bnown, of the body one-half of an inch thick, and

Passage Agent.

de the door, he saw McCracken standing very close up to the next one with a knife in this hand. McCracken saked to the control of the control o

ing McCracken might have some other orner Heitz nimed a blow at the pursued man, but they were too far apart; when at the corner of Quincy and Main streets the witness had gained so far on him as to give a blow which knocked him down feCracken laid on the pavement with his arms over his face, and witness seeing a man come across the street, thought he recognized Capt. Conant, and spoke to him. Thinking this a good time to get out of the way McCracken jumped to his feet and ran along Quincy street to South street. men ran across from the Kelm House 141 Main St., Opposite Union. and the witness shouted to them to "catch the man as he had murdered a man at the livery stable." Some men came out of the Baltimore depot on hearing the noise and as McCracken was surrounded by them he was captured.

Cross examination. Heltz stated that he saw the blade of the knife glisten in McCracken's hand. The knife was shown Heitz by the Prosecuting Attorney. He fully identified it by some notches cut in the side of the handle, also identified the prisoner as the man who stabbed Mountz: could not tell whether the moon was shinining or not; thought it was seven of eight minutes after McCracken left till he knocked on the door; it was exactly half Mountz lived just one hour and ten minutes from the time he was stabbed; time he was struck; he tried to have Mountz recognize him but was unsuccess ful; McCracken was not much intoxica ted at the time the murder took place, but had been drinking some. James Ander son was not examined.

Drs. Baird and Cummins, Andrew Heitz and James Anderson entered into a re cognizance for their appearance at the next term of the Circuit Court to give evidence in the case.

ry Water Power and Manufacturing Company," for the purpose of manufacturing and furnishing water power for manufac turing, the principal office or place of business to be at Washington City, in the District of Columbia; and to expire on the first day of January, 1800. Those are some of the sad and melasticate produced by early habits of yes Weakness of the Back and Limbs, Pais Head, Dimness of Sight, Loss of Musch, Palpitation of the Heart, Dyspesia, Nertiability, Derangement of the Digeth tions, General Debility, Symptoms of C. Hons, General Docinty, Symphons of con-tion, &c.

MENTALLY—The fourful effects on the mai much to be dreaded. Loss of Memory, Carlo of Ideas, Depression of Spirits, Evil Forest Aversion to Society, Seil-Distrust, Los tude, Timidity, &c., are some of the cub

duced.
Thousands of persons of all ages can now what is the cause of their declining health, shelr vigor, becoming weak, pale, nervous omaciated, having a singular appearant the eyes, Cough, and Symptoms of Consunt Volumo MRN

Who have injured themselves by a certain price, indiviged in when alone, a habit frequent learned from evil companions, or at select in effects of which are nightly felt, even the asleep, and, if not cured, renders marriage abosticle, and destroys both mind and body, that apply immediately. able, and desures were apply immediately.

What a pity that a young man, the boye of country, the pride of his parents, about snatched from all prospects and enjoymens life by the consequences of deviating fau path of nature, and indulging in a certain sea habit. Such persons must, before contemparable.

MARRIAGE reflect that a sound mind and body are the aucocsary requisites to promote connobla has necessary requisites to promote connobla has ness. Indeed, without these the journey floring to the view, the mind been shadowed with despair and filled with the ancholy reflection that the happiness of soul becomes flatter and that the happiness of soul becomes blighted with our own.

DISEASES OF IMPRUDENCE.
When the misguided and improdent voluesarse finds that, he has imbled the whis painful disease it too often happens to little disease in the disease finds or shame or formal of discovers him from applying to those, who from ion and respectability, can alone befried allowed the disease of the dise PRINTING, ters him from applying to those, who from each cloud and respectability, can alone befried in delaying till the constitutional symptoms of the horrid disease make their appearance, sat ulcerated sore throat, diseased nose, noting agins in the head and limbs, dimness of educations, nodes on the shin-bones and arms, greesing with frightin rapidity, till at is, palate of the mouth or the bones of the novel, in, and the victim of this awful disease bone a horrid object of commisseration, till deals; a period to the dreadful sufferings, by salbhim to "that Undiscovered Country from she no traveller returns."

no traveller returns."

It is a MELANCKOLY PACT that the fall victims to this terrible disease, owing unskillfulness of ignorant pretender, what the use of that DEADLY POISON, MERC ruln the constitution and make the residue. DRAY TICKETS, miserable.
